

**GROUP DINING +
CELEBRATIONS**

ABOUT THE VENUE

BangPop is a large, colourful open space that immediately takes you from South Wharf to the heart of Thailand. BangPop recreates the energy and excitement of Bangkok's hawker stands, presenting authentic and succulent Thai dishes all made with seasonal ingredients sourced locally or straight from Thailand. The long bench style seating is ideal for large groups, and communal dining.

THE MENU

The best way to enjoy all the menus has to offer, is to share with your fellow diners. We have created several menus that give you the best taste experience, from the betel leaves to start, through to sweet Thai desserts to finish. Wash it all down with a selection of local Thai beers, or our extensive Thai inspired cocktails.

GROUP DINING & EVENTS

BangPop is all about sharing! To ensure your group receives the freshest, most delicious hawker style Thai food in a timely manner we require any group over 8 people on our terrace or over 12 people inside to select from one of our sharing style menus. Alternatively, we can arrange a pre-order if you and your guests would rather enjoy their very own delicious Thai meal.

DIETARY REQUIREMENTS

We have provided the most popular solutions to most dietary requirements below each menu and guidance on our suggestions cover most scenarios. All of our meals, except of course our pork, is Halal. If you have a group with varying dietary requirements, we will work closely with you to facilitate.

BEVERAGES

Guests can order and pay for beverages individually through our at table ordering system Mr Yum. You can also set up a beverage tab through Mr Yum if you would like to pay for the guests' drinks.

Please note that at busy times we do require a minimum spend on beverages in addition to the sharing menu or pre-order. We will advise you if a minimum beverage spend is required for your preferred date.
