Our unique experiences can be set up at various locations throughout the venue or on our riverside terrace and are designed to be either for multiple station functions or as a compliment to your stand up cocktail function. The intoxicating aromas fill the air, and the theatre is something not seen elsewhere. Due to the bespoke nature of these stations our executive chef will liaise with you to create a truly memorable experience. The stations on offer are, but not limited to...

PAD THAI AND PAD SEE EW NOODLE STATION

Two of Thailand's sizzling favourites. Revered worldwide these two wok fried noodle dishes need no introduction. That's why they make the top 2 selling noodle dishes in Thailand and why they are both considered national treasures. Seared à la minute for each guest our wok noodle station is everything you would imagine it to be... and more!!

With the added option to have guests choose their own ingredients, this station really does deliver it all, sizzle, spunk and sumptuous noodles.

PHUKET SEAFOOD BBQ

Capturing the essence of any beachfront getaway, our Phuket Seafood BBQ perfectly captures the sights and smells of the famous Patong seafood market without the need for you to leave Melbourne. This is a truly bespoke station allowing you to offer your guests the finest fish, shellfish and crustaceans. A typical BBQ would have us grilling coconut king prawns, searing lemongrass snapper or chargrilling green chilli calamari, but why stop there! Beautiful Tasmanian rock lobsters with wild ginger await.

With this station, the world really is your oyster (pun intended).

INTERACTIVE FOOD STATIONS CONTINUED...

MOO PING AND CHICKEN SATE STATION

With the heady smell of sizzling meats over charcoal you will have trouble stopping yourself coming back again and again. Moo Ping or Chicken Sate, who can choose?? And with this street side speciality station, you don't have to. Tender skewers expertly marinated, char-grilled to perfection and then served with a delicious dipping sauce...

Why not add steamed jasmine rice and a green papaya salad. The choice is yours!

THAI SALAD STATION

Pull on your creative (chefs) hat and choose your own adventure with our build your own salad station. Maybe it's green mango, toddy palm or crispy shallots that get your salad going, or you might just be a lettuce, tomato and cucumber sort of person. At our build your own salad station the possibilities are endless. Add to your choice's crispy pork belly, Queensland tiger prawns or marinated tofu and this station is nearly a meal in itself.

The perfect compliment to any of our other amazing stations or one of our canapé packages, this is one not to be missed.

HAWKER STYLE CURRY STATION

With our Hawker style curry station you and your guests can enjoy classic Thai curries such as our green chicken, jungle Massaman all served with fluffy Jasmine rice and fresh Thai garnishes.
